PACKET COMPLETE?	

Hello and welcome to our KidZone family! Thank you for your interest in our childcare program. Your trust in our program is never taken for granted. We are committed to provide your child with a safe, positive learning environment so that he/she may receive the physical activity and emotional stability they need to maintain a healthy mind and body. After all, how children are nurtured, spoken to, played with, responded to, allowed to explore, and encouraged to express themselves is formative for developmental growth and character.

Of course, every parent will be a child's first teacher. We are simply here to support you by giving your child access to high quality care and learning. It is important for our teacher to work in collaboration with each family, and to establish a positive and open relationship to ensure our program fits the needs of you and your child for a successful outcome.

Nayda Amadeo (President)

PLEASE NOTE: ALL INFORMATION IN THIS ENROLLMENT PACKET NEEDS TO BE FILLED OUT COMPLETELY BEFORE YOUR CHILD MAY ATTEND. THIS INCLUDES SHOT RECORDS AS WELL.

If your child needs updates on his/her immunizations, please let your Director know when those appointments are scheduled. Please note that if your child is not up to date on immunizations, they must be brought current within two weeks of enrollment.

We are currently following the Washington Health Department's Covid-19 regulations which may change certain policies within this packet. Please sign both this packet and our parent handbook upon enrolling.

We pride ourselves on creating a comfortable and nurturing environment for every child in our care, as well as to their families. In order to do this, each KidZone site is run by a Site Director. This person is here to cover the day-to-day duties of running the facility, and to ensure their site is always in compliance with the state of Washington Licensing WAC codes, as well as handling financial accounts, Fire and Health Department inspections, CPS, DSHS, parent communication, and teacher mentoring. They are in charge of enrolling children into our care, and, if necessary, the termination of children from our care. They wear many different hats to make sure their centers are running smoothly, and they are each very good at what they do.

Upon completion of this packet, children will be placed on a probationary period for the first three weeks of enrollment. Children will be considered part of our permanent enrollment after this time frame. During this time, KidZone's team of educators will have a chance to assess, observe, and confirm that KidZone is the best fit for your child. In the event that we determine otherwise, a list of resources will be provided to you in an attempt to help you find the perfect fit.

Our Executive Director is Tina Baydo. She provides support to each of our wonderful Site Directors. She is fully involved in each of our four locations, and also handles the USDA Food Program, DSHS audits, and is a resource for our Directors. She assists with CPS, licensing, parent concerns, staffing, accounts, and anything else necessary in order to provide excellent service for our clients, and to the overall well-being of each site. She is able to make any executive decisions deemed necessary.

If there is ever a concern over anything, please speak with your child's primary teacher, or your center's Site Director. If you feel that a concern is not being met, please feel free to ask to speak with Ms. Tina.

We understand that there may be instances when frustrations may arise and KidZone is always willing to address those concerns in a calm and respectful manner, but speaking rudely to, name-calling, or yelling or swearing at any KidZone staff will result in immediate termination.

DISCIPLINE POLICY

We provide an environment that consists of safety and security for all children in our care. Children whose behavior endangers others will be supervised away from other children, spoken to, reasoned with, and will remain separated until he/she can rejoin the group. This behavior will also be documented and signed by the parent/guardian. Discipline procedures by staff will always be positive, productive and immediate when behavior is inappropriate. No child will be humiliated, shamed, frightened, or subjected to verbal or physical abuse by staff or parents on the premises.

If behavioral issues continue to occur, and your child is showing aggressive behavior or being consistently disruptive, you may be asked to pick your child up early. If this occurs, there will be no credit given. The Site Director may deem it necessary to create a Behavior Plan geared specifically for your child as an attempt to correct any aggressive behavior, and to attempt to correct any aggressive behavior, and to attempt to prevent suspension or termination, which may require a meeting over the phone or in person.

Please note: Some situations may call for suspension immediately for behavior that may cause harm to self or others.

If your child is frequently becoming overstimulated, overwhelmed, or experiencing discomfort for any reason, we will attempt to make as many accommodations as possible to meet your child's needs. If a Behavior Plan is set in place but is neither helpful nor effective, the center Director will supply you with a list of resources and information for other centers in the area. It is our goal to create a comfortable, safe, and positive atmosphere for every child in our care. If a Behavior Plan is made and resources are not helpful or effective, KidZone may determine that it is in the best interest for the child and center to terminate childcare.

By law, we are required to report and document any suspected physical and emotional child abuse or child neglect, endangerment or child exploitation to Child Protective Services.

Signature: _____ Date: _____

DEVELOPMENTAL SCREENINGS

Each child will be given a developmental screening within 30 days of enrollment. Each child will receive a screening up to 4 times per year. The teacher will contact you to make arrangements for a conference, which can be done by phone or in person, at your convenience. If your child's teacher has any concerns about certain areas of your child's development, resources will be given along with a recommendation for a professional screening.

TOILET TRAINING POLICY

We need to work as a team to ensure your child’s success. Communication between us on your child’s readiness is key to a happy, successful training. All participants must be 100% committed. Potty training will begin no earlier than at age 2 (this does not mean that at age 2 each child is ready)

The signs of readiness to toilet train at home are often different than in a group setting. In a group the child face challenges that can delay their readiness, such as: fear of missing out on something. This can cause a child to wait until the last second.

Is Your Child Ready to Start Potty Training:		
Yes	No	Is your child able to tell an adult they need to go potty before they have to go? They must be able to say the words “I have to go potty” before they have to go.
Yes	No	Can your child use the potty unassisted?
		Yes No Get on and off the potty by him/herself
		Yes No Undress him/herself (pull pants up and down)
		Yes No Is able to wipe themselves after using the toilet
		Yes No Is able to wash and dry hands
Yes	No	Is able to go directly back to the room without directions
Yes	No	Does your child show interest in going to the bathroom? (do they follow you in and want to sit on the potty or toilet?)
Yes	No	Does your child understand what the toilet is for?
Yes	No	Does your child ask to be changed when he/she is wet or dirty?
Yes	No	Does your child seem to recognize at least a few seconds ahead of time that he/she has to go, can tell you before it happens?
Yes	No	Is your child going through or about to go through within the next 3 months a major transition, a new baby arriving? Schedule change? Moving? Etc.? (major transition can delay or degrees training)
Yes	No	Is your child able to postpone going if they must wait for someone who is in the bathroom, or is outside and away from bathroom

If your child meets at least 5 of these criteria then your child may be ready to try training.

Signature: _____ Date: _____

TOILET TRAINING POLICY CONTINUED

If there are any major transitions in your child's life now or within the next 3 months, wait until your child can adjust. Some fully trained children have been known to regress back into diapers when under stress.

If your child meets 6 or less of the previous criteria, please wait a month or two and reevaluate.

Please keep in mind that every child develops at their own rate. Please do not push "**your readiness**" on your child; it can do more harm than good.

Please make sure that you let your child's teacher know when you are going to start toilet training at home and keep the teacher up to date on the progress.

Toilet training should begin at home over a long weekend or holiday.

Once your child has been training successfully at home for at least 1 week, your child may begin wearing **pull-ups** here at daycare. Children will not be trained in underwear.

Please send your child in clothing that is comfortable and easy for your child to remove independently. (No overalls, belts or multiple buttons etc.) Please send them wearing elastic band type shorts or pants (depending on the weather)

It's important to remain in close contact with your child's teacher so that you are updated on your child's progress. If, after a month, your child is not making progress, you may be asked to put the toilet training on hold until a later date.

Your child's teacher will use praise and words of encouragement while toilet training your child and will not shame him/her for accidents.

During Potty Training Please Provide:

- At least 2 complete changes of your child's clothing (this includes socks)
- One extra pair of shoes
- Several pull-ups
- Wipes

Signature: _____ Date: _____

DIAPER/PULL-UP POLICY

Parents are responsible for supplying their child with diapers/pull-ups, wipes, and diaper cream if needed. When your supply is running low, the teacher will leave you a note letting you know that you'll need to bring in more. If you have been given a note, and do not bring in more supplies before your child runs out, you will not be able to drop your child off until supplies are refilled.

Please bring your child into the center wearing a fresh diaper. If it is soiled, you will be asked to change him/her before you leave. It is the staff's responsibility to send your child home in an unsoiled diaper. If you notice upon pick-up that your child needs to be changed, please let a staff know so that they can do so.

Signature: _____ Date: _____

SICK POLICY

Washington State Licensing requires staff to check all children for signs of illness when they arrive at the center and throughout the day. This program does not provide care for sick or ill children. To avoid spreading illnesses to other children, please do not bring your child into the center if he/she is showing any of the following symptoms:

- ~ Diarrhea (2 or more times within 24 hours)
- ~ Vomiting (2 or more times within 24 hours)
- ~ Lice or Nits (dead or alive)
- ~ Earaches
- ~ Headaches
- ~ Sore Throat or Strep Throat
- ~ Chicken Pox or Unexplained Rashes
- ~ Excessive fatigue that prevents the child from participating in activities
- ~ Fever of 100 degree or higher (given under arm and adding 1 degree)
- ~ Open, oozing sores (unless properly covered)

For communicable skin infections such as impetigo, scabies or pink eye, the child may return after 24 hours of antibiotic treatment. KidZone will administer antibiotics while your child is in our care if a medication form has been filled out properly with your authorization. Reminder, prescription medications must be in the original prescription bottle. If KidZone sends your child home with any of the above symptoms, he/she must remain home the following day as well and you may be asked to return with a doctor's note if your child is still presenting symptoms.

Please understand that if we are unable to reach you, we will call the contact numbers on your emergency card. Please be sure to keep all phone numbers up to date. It is a good idea to have a back-up plan for your child if he/she needs to be picked up from the center due to illness or any other reason in case you cannot make it in a timely manner

There is no credit given for sick days. If your child is absent, your full tuition payment is still required.

Signature: _____ Date: _____

OUTDOOR POLICY

Children are usually taken outdoors for a half hour in the morning and another half hour in the afternoon. Please dress your child appropriately for the weather and make sure an extra change of clothing is kept in your child's cubby in case of getting wet. This includes socks. If you feel that your child is not healthy enough to participate in outdoor activities then he/she will need to be kept home until able to do so, unless a doctor's note is given to the director with instructions to keep your child inside.

Signature: _____ Date: _____

BITING POLICY

When young children come together in a group setting, they may from time to time, bite their friends, or attempt to bite. Biting incidents occur for many different reasons, but mainly children use biting as a way to communicate or as a defense mechanism. They sometimes see biting (as well as hitting, kicking, etc.) as a way to get their point across and to get what they want.

When children bite, we maintain close observation to try and guard against any further biting incidents. All employees are made aware of the child who may attempt to bite so that they are able to closely observe that child's behavior. We show empathy towards the child who had been bitten and tell the biter that biting hurts and offer the child different alternatives to biting. If a child continues to bite or attempts to bite, staff will attempt to prevent it from happening to the best of their ability. We will ask for your help to give your child daily reminders. If a child continually bites, we may have no other option but to refer you to another center with perhaps a smaller setting until the biting stops.

By signing below, you are stating that you understand this policy and understand that in the event your child is biting or attempting to bite, and the behavior cannot be changed, you will be asked to find another childcare provider.

HEALTH AND NUTRITION POLICY

We will provide meals in accordance with the USDA Food Program. We provide breakfast daily until 8:30 am. If your child is coming in after this time, please have him/her eat before arrival. Lunch is served as well as two snacks in the afternoon. All breakfast, lunch and snacks served are posted on our menu board. To ensure variety, no breakfast, lunch or snack is repeated within a two-week period. Foods that are served provide one serving of vitamin C daily and three servings of Vitamin A weekly.

Lunch time is a great time to support children's development of positive eating and nutritional habits. We encourage staff to sit, eat, and have casual conversations with children during this time.

If your child has a food allergy or special menu requirement due to a health condition, we must have written instructions from the child's health care provider nutritional supplements. Parents may be required to supply food for supplements and special diets. We post each child's allergy in each classroom and by the menu board as well as notify each staff member of the allergy and reaction that the child may have. Due to severe allergies, KidZone is a peanut free zone. Please do not have your child bring anything into the center containing nuts.

If your child does not have an approved meal plan on file due to allergies or restrictions, no outside food is permitted to be brought in with your child.

HEALTH AND NUTRITION POLICY CONTINUED

KidZone is responsible for providing lunches that meet the nutrition requirements of the Health Department, consisting of the following items:

- ~ One serving of a dairy product (milk, cheese, yogurt, etc.)
- ~ One source of protein (meat, poultry, fish, peanut butter, etc.)
- ~ One grain product (bread, cereal, bagel, rice, etc.)
- ~ Two fruits or vegetables (100% juice counts as one component)

ADMINISTRATION POLICIES

Anyone who comes into the center to pick up your child must be listed on the emergency card, be 18 years of age or older, and present a valid picture ID. Please let your center Director know in advance if this person has not been in before.

Our drop-off time is **9:00 AM**. If your child needs to be brought in later than this time, you must call **before** 8:45am to let us know, otherwise you may be turned away. If your child will be absent for the day, please call us before 9:00 to let us know. There is no credit given for days of absence.

KidZone opens at **6:00 am** and closes at **6:00 pm**. If your child has not been picked up by closing time, you will be charged \$1.00 per minute per child. The infant classroom at site 5 is open from 6:30 am to 5:30 pm Monday through Friday.

We require a one-week written notice for schedule changes or for withdrawing your child from KidZone. Without written notice of withdrawal, you will be charged one full week at the full tuition rate. You are entitled to 1 week of vacation after 90 days of enrollment. It must be taken in a one-week increment (Monday through Friday).

Signature: _____ Date: _____

TEN HOUR LIMIT

We provide care for up to 10 hours per day. If you exceed the 10-hour limit, there will be an extra charge of \$13.00 per child per hour. If you are on DSHS and exceed this limit, you will need to have extended care added onto your childcare so that it is covered. Any care of more than 10 hours per day needs to be approved by the Director and a waiver needs to be placed in your child's file, in advance.

PRIVATE PAYMENT POLICIES

Upon arrival, we ask that you sign your child in using your FULL LEGAL SIGNATURE and do the same thing when picking your child up. Signing by initialing will not be accepted.

Tuition payments are due no later than **Monday for the current week**. Any payments made after Monday for the current week will be charged a \$25.00 late fee, unless your child does not attend on Mondays. Please let the Director know in advance if you will be paying late.

If you discontinue care owing tuition to KidZone, your account will be referred to a collection agency for collection. In that event, the contingency fee assessed by the collection agency will be added to the principal and interest due. You will be additionally liable for attorney fees. Both collection agency fees and attorney fees will increase the balance you owe. If your child will be attending on an unscheduled day, please speak with the Director in advance.

KidZone only offers one method for payments: through Brightwheel

Signature: _____ Date: _____

DSHS REQUIREMENTS

As a recipient of Washington State Child Care Subsidy, it is mandatory to sign your child in and out both in the Electronic Attendance System, and on your child's sign in sheet, using your full legal signature.

Our DSHS sign-in sheets are frequently audited, and a missed signature will result in the center being charged an overpayment fee, which will in turn be charged to your case at the current drop-in rate. If there are any issues with the tablet, please bring it to the immediate attention of your center director.

KidZone is only operating on a full-time enrollment basis. We charge a flat rate fee regardless of attendance; therefore, we will be following the State billing requirements when it comes to the maximum allowance that can be claimed for absences. This allowance is up to 5 days each month. If you miss more than 5 days per month you will be in jeopardy of losing your childcare spot with us.

DSHS copayments are due by the 5th of each month in order to avoid a \$25 late fee. If you dis-enroll from KidZone with an outstanding balance, it will be reported to DSHS. This will prevent you from receiving any further childcare assistance until the debt is paid in full.

If you discontinue care owing tuition to KidZone, your account will be referred to a collection agency for collection. In that event, the contingency fee assessed by the collection agency will be added to the principal and interest due. You will be additionally liable for attorney fees. Both collection agency fees and attorney fees will increase the balance you owe. It is your responsibility to renew your subsidy before it expires. In the event that this does not happen, you will be required to pay out of pocket for each day your child attends, at the full tuition rate.

KidZone only offers one method for payments: through Brightwheel

KIDZONE REMINDERS

- An extra change of clothes and a pair of shoes need to be kept at the center every day in case your child gets wet or has an accident. Please make sure it is labeled with your child's name and placed in his/her cubby.
- Please have your child leave his/her toys at home.
- Please do not bring anything of value into the center, including expensive clothing, electronics, or jewelry. Children have a tendency to lose things and get dirty and KidZone is not responsible for replacing lost items or clothing.
- Please make sure your child is not bringing change into the center as it can be a choking hazard.
- Please label your child's jacket to avoid any confusion if it is misplaced.
- Phone numbers and immunizations need to be kept up to date at all times.
- If your child is not fully potty trained, you may be asked to have him/her use pull-ups (in order to prevent the spread of germs) until he/she can be in underwear with a minimal number of accidents.

Signature: _____ Date: _____

WEATHER POLICY

It is the parent's responsibility to make sure all information is kept updated on your child's emergency card. Please make sure you have a back-up plan in the event that the center closes early due to weather conditions. Calls to the center if your child will not be in attendance are greatly appreciated.

If the school district your center is located in is closed or running on a 2-hour delay, we will extend our drop-off time until 10:00am for parents who call us before 9:00am. We must receive a phone call if you will be coming in late or you will be turned away. There may be mornings when it is necessary to open the center one hour late. Please be sure to call the center if you are planning to bring your child in before 7:00 to verify it is open.

If road conditions continue to worsen after the center has opened, it may be deemed necessary to close the center early.

If the center were to lose power, and it is not scheduled to be turned back on for a period longer than two hours, we are mandated to close and will call you to come pick up your child within the two hour time frame.

Signature: _____ Date: _____

DISASTER PLAN

Please remember to always have a back-up plan in case of any type of emergency and be sure to list them as emergency contacts, with their phone numbers kept current at all times. If phone lines are down, we will try to maintain communication as best as we can by using our personal cell phones. Moving off-site will be a solution only when the center is deemed unsafe and unsuitable for the children to stay in. Otherwise, they will remain on the premises until you or your emergency contact comes to pick up. Our staff are fully trained and prepared in the event a natural disaster happens. We do monthly fire and earthquake drills, so the children are just as prepared as the staff. KidZone's Disaster Plan is posted in every classroom. Please read it and familiarize yourself with it, as per WAC 170-295-5030.

Please be sure to provide and keep us updated on the following information:

- ~ Up to date immunization records
- ~ Health Information (doctor's name and phone number)
- ~ Custodial paperwork or court paperwork (if relevant)
- ~ The names, phone numbers, and addresses of three individuals who are authorized to pick up your child.

NON-DISCRIMINATION POLICY

We provide care to any child regardless of race, creed, color, sex, national origin, religion, or physical, mental or sensory disability.

Signature: _____ Date: _____

SECURITY CAMERA POLICY

There is nothing as important to us as the safety and security of every child in our care. Our wonderful, qualified teachers do an outstanding job of supervising your children throughout the day. With our security cameras, the entire environment can be monitored by the director as well as the owners on the surveillance DVR recorder. This is not an internet-based system and does not record audio. We are proud of the care and learning that happens here and protecting all who attend and work in this facility is our very highest priority.

For the sake of privacy, the records are to be reviewed by authorized KidZone Directors only, and any authorities such as KidZone's licensor, or CPS. Exceptions can be made in a case-by-case basis at the discretion of the Director.

Please sign below to show that you understand and give your permission for your child to be under our video surveillance.

TRANSPORTATION POLICY

I give permission for my child to be transported to and/or from school by KidZone employees. We currently place the children on the bus who attend the following schools:

KidZone I = Franklin Pierce Head Start, Midland Elementary, Collins Elementary, Elmhurst Elementary

KidZone II = Fir Grove Head Start

KidZone III = Lake Louise Elementary

If the center is able to, I give permission for my child to be transported to and/or from school by employees in the event he/she misses the bus while in the care of the center.

I give permission for my child to be transported to our disaster location in the event of a natural disaster.

We will use proper car seats, booster seats, and seat belts, depending upon availability the age of the child. All employees will have a current driver's license, CPR, first aid training, and any and all other training necessary to drive a vehicle.

I also give KidZone employees permission to walk my child to these locations if the need arises.

I give my permission to KidZone employees to transport my child in daycare vehicles, and/or employee vehicles which will be covered with proper auto insurance.

Early Achievers: Parent/Guardian Consent for On-Site Evaluation

KidZone is participating in an exciting program called **Early Achievers**. We need your help to make this effort a success! Please read below for more information on how you can help us continue to provide high-quality care that helps children learn and grow.

Early Achievers is a voluntary program that:

- Provides families with information about the quality of care through a Level I through 5 rating system
- Offers childcare programs resources like coaching and training so they can support children's learning and development

On-Site Evaluation:

Childcare programs that participate in Early Achievers receive **on-site evaluation** visits from the **University of Washington (UW)**. The purpose of the evaluation visits is to observe and gather information about the program in order to create an **Early Achievers Rating**. KidZone has invited the UW evaluation team to visit a random selection of its classrooms as part of the Early Achievers rating process. Your child's classroom may be chosen and observed to help the rating team measure the quality of care provided at This process includes collecting information that will be used to create a program rating and can be used in the next phase of Early Achievers to improve the quality of care provided for your child, like:

- Observing the childcare environment to learn about the materials, activities and experiences available to support children
- Observing interactions between teachers and children
- Audiotaping teachers' language to understand the amount and type of language your child's teacher uses
- Observing children engaging in the classroom to understand how the environment stimulates children's learning
- Interviewing teachers and directors about how they use their practice to support their young children
- Interviewing interested families to learn about how the facility staff partner with families to supports their child's learning and development

Reviewing program files and documentation to learn how program policies and procedures support quality practice
